

The background image is a photograph of the Cliff Castle ruins in County Kerry, Ireland. The stone ruins of the castle are perched on a dark, mossy cliff edge. Below the cliff, the ocean waves are crashing against the rocks. In the distance, there are green hills and a small town under a cloudy sky.

Tips & Information

- ☐ Call your bank and inform them which countries you will be visiting, and on what days, to prevent your credit card from being declined.
- ☐ Check the projected weather of where you are going and pack with this in mind (potentially bring a rain jacket, light sweater, or hat depending on the weather of your destination).
- ☐ Be conscientious of clothing modesty and any writing or logos that may be offensive to different cultures.
- ☐ Pack heavy items at the bottom so clothes don't slide around.
- ☐ Leave room in your suitcase for any souvenirs you buy while in-country.
- ☐ Tape the lids of liquid bottles to keep them shut. Do not take pressurized spray cans as they may explode in flight.
- ☐ Make a list of everything you packed (Insurance Purposes).

- ☐ Make two copies of all travel documents and leave one copy at home in case your documents are lost or stolen.
- ☐ Pack as if you will not be able to purchase any necessities you may need at your destination.
- ☐ Pack as light as possible as you will be carrying your own luggage.
- ☐ Consider bringing some clothes with secret pockets to store money and other valuable items when in crowded or large areas to prevent pickpocketing.
- ☐ Remove all baggage tags or stickers from previous flights.
- ☐ Label your bags inside and out with your name, destination address, email, and mobile number.
- ☐ Add colorful straps or tags to help identify your bag on the carousel.
- ☐ Adaptor – For Ireland the associated plug type is G. Ireland operates on a 230V supply voltage and 50Hz.
