"Business students who are interested in how their knowledge, gifts, and talents are applicable across a wide range of cultures and experiences. Students will be immersed in a culture and learn business concepts from a variety of sources during the trip. Assignments will require students to synthesize information regarding theory and application. Part of the Liberty Mission is to, "Contribute to a knowledge and understanding of other cultures and international events." Obtaining a first-hand experience of the economy and understanding business practices in a country with a very different history and culture from that of where we live will be invaluable too those who travel with this field experience group."
